Packing List

Operation: Midnight Wraith

October 15-17, 2021

Packing List Explanation:

In case you're wondering why you have to bring some of these items, here are a few key points on why we were asking for certain things:

Clothing: Think gray man. Avoid clothes with writing, or large logos (like sports teams) and think about layers- how can you quickly change your appearance by adding or subtracting a layer? Contrasting colors work well for this. For your workout clothes- shorts, t-shirt and your exercise undies of choice.

Backpack: This pack will carry ALL YOUR EQUIPMENT. If it doesn't fit *inside* your pack, it doesn't come with you. You won't wander around the city looking like a one man gypsy camp. Less is definitely more for this OP.

ID: Due to the nature of the subject matter, all participants MUST be US citizens OR permanent residents. No exceptions, and we need to verify that.

Mouth Guard: You'll want to form this to your mouth per the instructions prior to arriving.

Face Mask: Masks will most likely be needed to access public transit which will be used during the event. Face masks will otherwise be voluntary unless the City of Dallas has legal requirements for them at the time of the event.

If you have any additional questions, please email us at registration@ironcenturion.org or hit us up on our OPMW Slack channel and we'll be happy to assist you.
